### INSTRUCTIONS TO DEPUTIES.

In organizing a Grange you will use the Manuals you carry with you, but leave none. The Grange organized will receive all necessary documents with their Dispensation, and in the meantime can be appointing their Committees, preparing their Hall, and balloting for Candidates. Dispensations will invariably be mailed within 48 hours after the receipt of the application.

The Master must copy, for the use of his Grange, your Manuscript marked No 1. Until Granges are represented in the State Grange, they will work under Dispensation.

Dispensation issued March 4, 1871. P.H. Kelley
