ONE NEAR YOU

"As an FFA member and Keystone Degree recipient, I am extremely excited to continue my journey through the Grange. I have met several friends through FFA and will continue that relationship with them in Grange. I can also expand on my passion for Parliamentary Procedure, as Grange presents so many of the same opportunities that FFA does. I look forward to meeting you, our newest member of the Pennsylvania State Grange!"

OUR PROGRAMS

Junior Grange

The Junior Grange is a program for 5-14 year olds. Participants develop self confidence, learn responsibility and the value of friendships.

Grange Youth + Young Adults

Grange Youth (14-21) and Young Adults (22-35) continue to develop leadership skills by being involved in local community meetings. Special events for Youth and Young Adults include regional, state, and national conferences. There are more opportunities for personal growth as an ambassador. In Grange, you can develop your own unique talents and interests, while working for the betterment of rural communities. Opportunities within Grange enable members to continue living to serve.

The Grange

"With a strong history in grassroots activism, family values, and community service, since 1867 the Grange has been America's premier nonprofit, nonpartisan, fraternal organization. Together, the Grange advocates for rural America and agriculture and brings rural communities together."
