NATIONAL GRANGE PATRIOTS PROGRAM

Since 2012 the National Grange has been providing free certificates for Community Granges to honor Veterans in their communities. Funding for this program is provided by Potomac Grange #1, Washington, DC.

Certificates are available for veterans of World War II, the Korean War, and the Vietnam War. There is no charge for the certificates and they may be ordered from the National Grange Sales Department, sales@nationalgrange.org or 202-628-3507 ext. 109.

Also available are DVDs with information about these wars and Granges' and members' involvement in them. They are also free and can be ordered at the same place. We suggest that the Community Grange Lecturer use these resources to plan a special program honoring local veterans and thanking them for their service. You can also read through your Grange's minutes and include information on how your Grange and your members were involved in activities to aid in the war efforts.

Please take photos of your program and submit them to your local newspaper as well as to the National Grange for sharing with other Granges across the country.

Patriot Program
